5. Credits and payments

5.1 You need Credits to use our live trading Software and its range of functionalities.

5.2 Credits are offered on the basis of 1-to-1 with 1 Credit is equal to the value of 1 Euro.

5.3 Costs of Credits will be debited from the payment method you choose in the Payment Gateway. You will be required to pay a transaction fee(s) or it will be debited from the original value. You will receive the Credits you pay for, minus the transaction fee if it is not included. Credit transactions are non-refundable.

5.3.1. Whenever we face a chargeback on your credit card, we face costs. According to general chargeback rules, there is a fee attached to each transaction dispute. This fee is to be paid by you, the client, to cover chargeback administration costs. The acquiring bank has a lot of influence in determining the fee amount, as does your processor. Our type of service also affects the price tag, along with several other factors. Therefore the minimum chargeback fee, payable to us at any time we face a chargeback from your credit card is 250 Euros.

5.4 Trad3s will deduct 20% of the profit you make in credits. You must have credits to cover the profit of your liquidated position(s) or Trad3s will not close the trade(s). For example, if you have €100 in profit Trad3s will take €20 in credits or 20 credits.

5.5 By choosing our payment options, you grant your permission for us to initiate a payment or a series of payments on your behalf via a payment provider. All your payment details will be confidentially secured.

5.6 A Trad3s account can be deactivated if your account remains in a negative credit balance for 30 days or longer.

5.7 All Credits will expire and be lost if an account remains inactive with no trading activity for over 1 year since the last transaction.

5.8 A user can freeze an account and access on their exchange at any time by disconnecting their Trad3s account from the Exchange by removing the exchange connection in both Trad3s and at their exchange. Email support if you would like the account to be completely closed.

5.9 Data on a User's account may be subject to deletion at any time without notice. All user funds will not be affected since they are in the exchange

6. Cancellation

6.1 Users have the right to cancel their Demo Trial and Account at any time.

6.2 Trad3s reserves the right to refuse its services to anyone. Any account can be removed at any time without notice. All user funds will not be affected since they are in the exchange.

7. Refund Policy

7.1 Under no circumstance can we refund Credits. By using our platform you wave the right for a Credit refund. Before making a purchase for credits this condition is agreed to every time.

7.2 At all times, Trad3s reserves the right to retain the Credits that Users have paid for after 1 year of account inactivity.

16. Restricted Locations, Individuals, and Entities

16.1 You may not use the Website and the Software if you are located in, or are a citizen or a resident, of any state, county, territory, or other jurisdiction that is embargoed by the United Kingdom, the United States of America, or the European Union, if you are an individual, an entity or a group listed on the United Nations Security Council Consolidated List, or where your use of the Website and the Software would be illegal or otherwise violate any applicable law.

16.2 You represent and warrant that you are not a citizen or a resident of a jurisdiction that is considered a restricted jurisdiction by EU Regulations or the laws of the United Kingdom or the United States of America and that you will not use any Services while located in any such jurisdiction.

16.3 Trad3s may implement controls to restrict access to the Website and the Software from any jurisdiction prohibited pursuant to this Section 15. You will comply with this Section, even if Trad3s's methods to restrict the use of the Website and the Software are not effective or can be bypassed.

17. Trad3s Investment Disclaimer

Terms and Conditions of Use

17.1 We Do Not Give Investment Advice. The information provided on this Website does not constitute investment advice, financial advice, trading advice, or any other sort of advice. You should not treat any of the Website's content as such. Trad3s does not recommend that any cryptocurrency should be bought, sold, or held by you. Nothing on this Website should be taken as an offer to buy, sell or hold a cryptocurrency. You should take reasonable steps to conduct your own due diligence and consult your financial advisory before making any investment decision. Trad3s will not be held responsible for the investment decisions you make based on the information provided on the Website, within the Software, or on any of Trad3s's public channels such as social media or otherwise.

17.2 Accuracy of Information. Trad3s will strive to ensure accuracy of the information listed on this Website, on our social media accounts including Twitter, Instagram, Telegram, Facebook, LinkedIn, or on any of our communication channels, although Trad3s will not hold any responsibility for any missing or inaccurate information. You understand that you are using any and all information available from Trad3s **AT YOUR OWN RISK**. You should take adequate steps to verify the accuracy and completeness of any information on the Website, on Trad3s's social media platforms, or on any other Trad3s communication channels.

17.3 Price Risk. The price of Bitcoin and other cryptocurrencies is highly volatile. It is possible for prices to increase or decrease by over 100% in a single day. Although this could mean potential profits, this also could mean potential losses. Only invest money which you are ready to lose. Cryptocurrency trading may not be suitable for all users of this Website. Anyone looking to invest in cryptocurrencies should consult a fully qualified independent professional financial adviser.

17.4 No Affiliation to Any Cryptocurrency. Trad3s is not affiliated in any manner with any cryptocurrency. Trad3s allows users to build automated trading strategies that get executed on third-party cryptocurrency exchanges. Trad3s safely stores the Users' information and does not disclose User data directly to cryptocurrency exchanges.

17.5 Execution Risk. Trading strategies set on Trad3s are executed on third-party-controlled exchanges. Trad3s is not a trading platform and does not store or trade cryptocurrencies. Any execution failures or other events related to third-party exchanges ARE ENTIRELY OUTSIDE OF TRAD3S'S control. Trad3s does not take any liability for failures related to third-party exchanges. Use of third-party exchanges is solely at your own risk. Any financial risks associated with your trading decisions are reserved to you only.
